## How can we encounter God through the sacraments?

The Catholic principle of sacramentality honours the sacred in the ordinary; God's grace is everywhere and in everything, having the eyes to see it, to recognise it engages us more deeply with the mystery of encounter. The Sacraments especially the Eucharist are celebrated and woven throughout the liturgical year forming a pattern where God can be uniquely and richly encountered. The richness of the signs and symbols of the Catholic faith are celebrated through the sacraments in a unique way. Sacraments promote an inner personal response and commitment to the Church's mission to the world.

This three day program will provide opportunities to deepen understandings and gain new insights into the ordinary and everyday human experience of the Sacred and the sacraments of the Catholic Tradition. All seven sacraments will be addressed with particular focus on the Sacraments of Penance, Eucharist and Confirmation. There will be a strong emphasis on understanding the sacraments in relation to today's context for students in our school and parish communities

### Registration:

To support the faith formation of local teams, preference will be given to those registering as a group representing the parish/school community. School staff can register on My PL (IPLS) via the CEVN website. Parish participants can register by contacting the Catholic Identity Team (see below).
